**Dennis Christmas Recognized For Outstanding Contribution at the
2018 Vancouver International Wine Festival**

To further celebrate ContainerWorld's 25th anniversary milestone, it was a great pleasure to have our president, Dennis Christmas awarded a plaque honouring his many years of outstanding contribution to the BC Beverage Alcohol and Hospitality Industries. Besides Dennis' contribution as one of the original architects for BC's Agent Stocking Program and a founding member of the BC Hospitality Foundation, he was recognized by industry peers for his selfless mentoring to so many and for providing a partnership to BC's beverage alcohol producers and agents, by providing the highest quality of logistics services that supports growth in the industry.

A huge thank you to our friends at the Vancouver International Wine Festival, the Import Vintners & Spirits Association, ABLE BC and the BC Hospitality Association
